

AVANCE

MED FÅGELHUNDSKLUBBARNAS ÅRSBOK

Vi er tillige opmærksomme på, at vi i vor egen lille verden skal passe på ikke at isolere os og foranlediges til at tro at vi kan klare os selv.

Vi vil gerne samarbejde og drage fælles gavn af opdrættet, blot frygter vi at selektionen af avlsdyr i Norden kan blive præget af negativ fejlfinding frem for positiv begejstring over top brugshunde, der evt. måtte, for en fuldgod jagthund, have en ubetydelig detailfejl.

Bestyrelsen takker sine søsterklubber i FJD, Dansk Kennel Klub, Danmarks Jægerforbund, DJU samt alle øvrige partnere for et godt samarbejde i jubilæumsåret.

Min ung tiken Puronperän Seita fått hennes höstens första premie UKL2. Hon fått också andra premier från Finland (fält) och blev Årets Ung GS här i Finland. Hon är efter Finnvola's Kid och Puronperän Nenä. Mvh, Jukka Puro, Finland

Gordon Setter in Finland 2012

Year 2012 gordon setter became even more popular than before. The trend is rising already third year in a row. Year 2012 a new record in registrations of Gordon setters in Finnish Kennel Club was made, when a total of 103 gordon setters were registered. First time ever the number of registered black setters was over 100 dogs.

In hunting trials Gordon setters were seen 115 times. This is 32 times more than year before, which is very pleasing. Gordon setters got prizes in hunting trials 20 times. Gordon setters were seen in trials on the fjell 14, in the forest 46 and on the field 55 times. So the percentage of prizes vs. starts was 17,4%, which is slightly better than year 2011 (15,7%).

Openora's Juliana and Markku Parviainen won 1st price in the winner class both on the field and in the forest, and in Pudasjärvi forest trials Juliana amazingly won the first prize three days in a row!

In open class 8 dogs got results. Openora's Isadora, owned by Jarno Kants reached open class 1st prize in the forest trial. Other dogs succeeding in the open class were Puronperän Olga, owned by Jani Piironen (2nd & 3rd prize), Black Seeker's Afterglow and Samuli Koskenniemi (2nd prize), Opendoras Isabella and Tero Soronen (2nd & 3rd prize), Puronperän Rico and Eero Rasinkangas (2nd & 3rd prize), Opendora's Immanuel and Petri Törrönen (3rd prize), Opendora's Kaylah and Jarno Kants (3rd prize) and Terrismäen Capri and Leena Majala-Heino / Harri Heino (3rd prize).

In youth class Alfred and Ari-Matti Joki/Sanna Joki got fantastically 1st prize. Puronperän Seitä and Jukka Puro & Rypedalens Sisu and Jyri Hiltunen both reached 2nd prize. In Finnish Gold Cup started 16 and in Finnish Derby 1 gordon setters, unfortunately without success this time.

Gordon setter of the year was –no wonder- Opendora's Juliana, owned by Markku Parviainen. Young Gordon setter of the year was Puronperän Seitä owned by Jukka Puro. Breeder of the year prize was a tough race between Kennel Opendoras and Kennel Puronperän, this year the prize went to Kennel Opendoras. Finally the difference with these brilliant kennels was only one point.

Jasu Sinkkonen and Pasi Kovanen arranged the traditional Spring Meeting in Uurainen. Theme this year was training of young dogs and apport. Trainer was Risto Vakkeri. During the meeting was also arranged an official apporting trial, judged by Tapio Ranta. The traditional Apporting Championships were battled in a separate race, and the winner was Puronperän Rico and Eero Rasinkangas. Winner of the youth class was Troldmarken's W Master and Sami Manninen.

Special dog show for setters and pointers was traditionally held at Pouttu School, Lapua. Best of breed was Puronperän Odessa owned by Seppo Siljama. Odessa also was BIS-3. Best of opposite sex was Alfred owned by Ari-Matti Joki/Sanna Joki. Best of breed –group was Kennel Puronperän.

Gordon Race was held at Ilmajoki. 8 dogs started in open class, one in youth class. Ilpo Inkiläinen was the head judge. Winner was Puronperän Nenä and Jukka Puro. No prizes were gathered this time.

Tjäderkullens Nr Bella and Harri Ala-Kotila received "The memory plate of Nova", a prize for the best young dog of Gordon Race. Avance of Olga Prize went to Puronperän Rico and Eero Rasinkangas, since Rico's seeking was so brilliant and stylish.

In the beginning of the year the chairman of Finnish Gordon setter club was Tommi Bister, vice chairman Kepa Teittinen, and members Jasu Sinkkonen, Pasi Kovanen, Fredrik Jansson and Jarkko Mannersuo. Secretary was Arto Lämsä. After the spring meeting Tommi Bister left the chairman position and Kepa Teittinen continued and also in autumn meeting got elected to continue. Jarkko Mannersuo got elected as vice chairman. Fredrik Jansson and Arto Lämsä didn't continue. Eero Rasinkangas and Harri Ala-Kotila were chosen as new members. Harri Ala-Kotila also began as the secretary of Finnish Gordon Setter Club.
